LATEST NEWS

THE LATEST NEWS!!

We've all been waiting for a long time for my new project to be finished and released! That day is **FINALLY** almost here! August 30th will be the official release date for the CD. The **good news** is that you can order it now on this site, and it will be delivered to your address as soon as the US Postal Service can deliver it after August 30th.

OR..... you can buy the songs **NOW** by downloading them here! The cost is \$0.99 per song! You can hear them on my "Jukebox" and then buy the song if you like it!

In other news....I just got back from West Virginia where I had a great time with 365 Church and Uni-Fest. Uni-Fest was an event where backpacks, food items, school supplies and other necessities were given to inner-city children.

There was also a basketball tournament for the kids and a concert of two local bands and myself to top the event off! It was a great time of ministry and fellowship!

Take care & God Bless!
